# How Parents/Carers can help at home

- ◆ Ask your child about their school day.
- ◆ What went well?  
What are you proud of?  
How have you worked towards your targets?
- ◆ Have you read at home with your child and asked questions about what has been read?
- ◆ Make sure your child has their reading folder in school each day.
- ◆ Discuss homework and remind your child to return it to school on time.
